SPRING MEDICINE

Hood's Sarsuparilla, the Great Blood Purifier, is the Best.

gree to every man, woman and child in our climate.

It is that run-down condition of the a-sten that results from impure. Imporerished, devitalized blood.

It is marked by loss of appetite and that three feeling, and in many cases by some form of eraption.

The best way to treat spring sickness is to take Hood's Farsuparilla. This old reliable family medicine was parities, sarriches and revitalizes the blood. It is an all-the-year-round alterative and tonic, and is absolutely the best Spring medicine.

Get your blood in good condition at once-now. Delay may be dangerous. Ask your druggist for Hood's Sarsaparilla, and insist on having it, for nothing else can take its place.

Cunningham, not being able to see that the car contained Americans, thought he was being held up but upon being informed of the presence of the Mexicans be turned his car and drove back with Hansen to Lanark, where they placed their cars in the corral there. Near Lanark they saw a number of heads above a pile of cross ties and benind tences. They sought shelter in the Lanark station and caught the first train into El Paso. They returned Monday morning in autos and towed their cars back to El Paso. A 3c-3c rifle like those used by the Villa not-diets in Mexico, was found near Lanark.

The Americans believe the Mexicans were waiting to hold up a Southern Pacific train at Lanark. CAUSE TENSION IN NACO

AMERICAN MISSIONARIES ARE COMING TO BORDER

CAUSE TENSION IN NACO

Naco, Aria. March 11.—Naco passa a
sleepless night as a result of a series
of repuirs which ted the authorities to
believe a raid from the Mexican side
of the border was being planned either
by Villa adherents or soldiers revolting
from the army of Gro. P. Elias Calles,
military governor of Sonora. The expacted find, however, did not materialize, due possibly, it is believed, to the
fact that it was generally known that
troops and county officers were prepared to offer desperals resistance.
Officials here, however, were unable
to learn of conditions at Caminea,
Sonora, one of the hurgest mining centers in Sonora, which is operated
largely by Americans and other foreigners, the wires to which were cut
during the night, soon after the report
of the threatened aprising.
Telegraphic reports of disorders at
Cannaen and the arrival at Naco,
Sonora, just across the line from nere,
of a train shortly before midnight
which came from the south without
lights added to the leasion caused by
several rumors that a raid was planned
against this fown. A majority of the
women and children were sent to Bisbee and additional troops were brought
here from Bishec to reinforce the 100
soldiers stationed here. The number of
Mexican soldiers just below the line is
naknown, but is said to be at least
nearly 1900.
